

# Achieve financial fitness with Your Pathway to Wellness

Your Pathway to Wellness is here to support your financial well-being journey with various tools and resources.

- **Enrich:** A financial well-being program that offers tools that can help you achieve your personal money goals. Get started today at [webmdhealth.com/countyoforange](http://webmdhealth.com/countyoforange).
- **Empower Retirement:** Learn how you can save more toward your retirement through the County's Defined Contribution Program. Visit [countyoforange.empowermytime.com](http://countyoforange.empowermytime.com) to schedule an appointment with a Retirement Plan Advisor or scan the QR code to view the informational flyer. You can request a virtual or in-person meeting with one of our local Empower representatives in their new location: CAN Room 106, inside the Employee Break Room.
- **MissionSquare Retirement:** The County contributes biweekly to your Health Reimbursement Arrangement (HRA) account. Visit [missionsq.org/prebuilt/micro/orangecounty/index.html](http://missionsq.org/prebuilt/micro/orangecounty/index.html) to learn how you can access your account information online and manage your investments.
- **Orange County's Credit Union:** Learn about the educational resources and services available to you at [orangecountyscu.org/partners/orange-county/](http://orangecountyscu.org/partners/orange-county/).
- **Orange County Employees Retirement System:** OCERS provides retirement, death, disability and cost-of living benefits for County of Orange employees. Attend one of the Pre-Retirement Seminars, use the Benefits Calculator, or schedule a consultation with a Retirement Program Specialist. Visit [ocers.org](http://ocers.org) to get started today.
- **Resources for Living:** Offers free and confidential financial coaching. Call the number below for a 30-minute consultation for each new financial topic. Scan the QR code to view the informational flyer to learn more.
